

Town of Sioux Creek

Fall 2018 Newsletter

Thank you for taking the time to read this information. Please visit our website www.townofsioux creek.com, where you will find useful information, including Town ordinances. Use these ordinances as a reference; as Sioux Creek residents, we must all adhere to their requirements.

Sand Creek: Joel Smith – 715-658-1795

We will soon be transitioning into the new Town Hall and Shop located at 2077 3 ½ Ave. Our phone number will remain the same (715) 837-1007 and you can use this number to contact both Liza and Brian, or you can contact Brian directly on his cell. The previous shop phone number will no longer be in use.

SNOWPLOWING: In order to ensure we can continue to provide snow plowing services to our residents, the rates for the 2018-2019 season have increased. This service is available only to the Town of Sioux Creek residents and landowners. If you would like to set up a contract with the Town for snowplowing your driveway, please contact Brian at (715) 764-0090. Requests should be made by October 22, 2018, with signed contracts due no later than November 12th. Sand is available for residents at the Town Shop. According to WI § Sec. 346.94(5) and 346.95(3), no snow is to be pushed across any road.

DOG LICENSING: A **dog license application** will be enclosed with your property tax statement in December. WI Statutes require dogs 5 months and older to be licensed and vaccinated by a veterinarian against rabies. Please submit a separate check/cash; fees are \$5.00 per neutered/spayed dog and \$10.00 per intact dog. All pet owners must comply with the laws regarding licensing, vaccinations and leashing of pets. In order to issue a license, please include a copy of the certificate of rabies vaccination with date and tag number. Additional information is available on our website or from the Clerk's office. **LATE FEES:** A late fee of \$5.00 per dog will be collected from every owner of a dog 5 months of age or over, if the owner fails to obtain a license prior to April 1st of each year (WI § Sec. 174.05(5)). To **report lost/stray animals** or animal abuse, call the Barron County Animal Control Enforcement officer at 715-537-3106.

PROPERTY TAXES: Barron County prints all tax bills and also mails them out in December. They will be mailed to the name and address on record at the County. Please contact the Barron County Real Property Lister- Samantha Sommerfeld (715-537-6313) if changes need to be made to the mailing address or if there is a name change. Tax bills can also be viewed and printed from the Barron County website <http://www.co.barron.wi.us/GCSWebPortal/Search.aspx>.

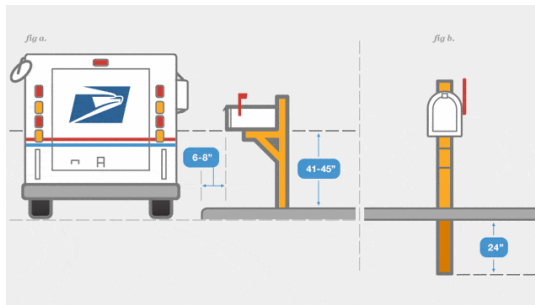

Prior to **starting a sizable fire**, please inform the Barron County Sheriff's Department at 715-537-3106 (non-emergency). Burning permits are NOT required in Sioux Creek; however, because of public concern it is advisable to contact the fire chief for your district and the non-emergency Sheriff's Department number prior to starting a fire. If you start a fire, you are responsible for the fire. If it gets out of control and fire vehicles are dispatched, you will be charged. Fire district maps are available at the Town Hall or on the home page of the Town website.

Town Website & Meeting Notices www.townofsiouxcreek.com Our goal is to provide our Town residents and visitors an easy way to access information. The user-friendly content is well-organized so you can easily navigate the site to find the information you're looking for. Meeting minutes will be available on the website after they are approved by the board. Effective December 2015, legal notices can be posted in *one* public place (Town Hall notice board) if also placed on an internet site that is maintained by the Municipality. Meeting and election notices are also published in The Chetek Alert.

The Town Hall is available for rent. The rental charge is \$75.00 per day plus a \$50.00 deposit that is returnable. We are a smoke-free and alcohol-free facility. All pertinent information, rules and forms are available on our website. You can also contact the Clerk at 715-837-1007.

Swing Mailboxes

The Postal Service suggests using an extended arm-type support which allows snowplows to sweep under mailboxes without damaging supports. Mailboxes should be installed at a height of at least 41" from the road surface to the bottom of the mailbox. Lamperts in Chetek carries the Swingaway arm shown in the photo below. We **STRONGLY ENCOURAGE** the Swingaway as it helps protect your investment from snow plow damage!

If you are planning to **subdivide** your land, please contact the Town Plan Commission Chair, Peter DeJardin at 715-205-1192 or peterd@chibardun.net. Peter is familiar with our Town Ordinances and can assist you with the necessary paperwork or forms and answer any questions, therefore avoiding delays in your land division. All land divisions in Sioux Creek must begin with the Town; the Town's Land Division Ordinance requirements may differ from those of Barron County. Once again, all Town ordinances are available on the town website www.townofsiouxcreek.com.

PERMITS: A **land use/building permit** is required for a new residence or addition. A **driveway permit** is required for any new driveway, residence, field, etc; also for any existing driveway or field road serving land without improvements and proposed to be converted to a driveway to serve structures. Forms are available on the website or from the Clerk's office.

The **ditches** need to be kept clear of junk and other obstructions. The right-of-way is 33 feet from the center line of the road or 15 feet from the edge of the road. It is also necessary to keep animals and irrigation pivots out of the right-of-way and for no crops to be planted in the right-of-way. All signs, such as "garage sale", etc., must be removed after one week.

All new residential driveways or new driveways with any type of building, shed, garage, etc, must have a **fire number**. Any existing driveway used for a new structure must have a fire number. Contact the Barron County Zoning Office at 715-537-6375 and refer to our Driveway Ordinance on our website.

Town Meetings: The Town Board meets the second Monday of each month at 7pm; the Town Plan Commission meets the first Thursday of the month at 7pm. Notices are published in The Chetek Alert, on the notice board at the Town Hall and on the Town website.
